LSA Special Association Meeting – Dredging Proposal – Special Assessment – Vote Results

Dear LSA Members,

The Board and Dredging Committee would like to thank the 153 Homeowners who attended Monday night's meeting.

The Proposal and Special Assessment Passed per the Lake Shannon Bylaws Article 5: Dues/Assessments/Budget; Section 4 a. shall be subject to the approval of a majority of membership voting.

Ballot Count: 153: Yes 126 and No 27

Additional details will be provided in the Spring Newsletter and future newsletter as this project moves forward.

Thank you, Theresa Rago Committee Chairperson, Mary Sutton Advisory, and The Dredging Committee for all your continued efforts and the work in the future to complete this project. We are appreciative and very thankful to Harold Cole and Scott Velliky for allowing the Association to utilize their property. With their help we are able to get this project off the ground.

Thank you to the Past Presidents for completing the ballot count and everyone who assisted with check in and other meeting details.
